

3 Easy English Idioms about Online Lessons

AS EASY AS ABC

when something is very simple or easy

Today's lesson was as easy as ABC! The teacher's presentation made everything so clear.

SMOOTH SAILING

something which is easy/according to plan and there's nothing you need to worry about

How is it going? Surprisingly, since online teaching started, it's all been smooth sailing.

FREEZE or BE FROZEN

when your wi-fi connection is really bad

*Wait, you're frozen! You keep freezing! We can't hear you!
Please repeat.*
