

3 Easy English Idioms about Talking

TALK AROUND THE SUBJECT

not getting to the point and avoiding speaking directly about something

She didn't want to say they were fired, so she just kept talking around the subject for a long time.

TALK IN CIRCLES

speaking in a confusing or indirect manner

I'm sorry! I don't really know the answer. I'm just talking in circles...

TALK RUBBISH/NONSENSE

not speaking logically, saying something stupid

He sometimes talks complete rubbish!
